PORTS OF CALL

Every day more and more people are discovering the all-inclusive pleasures of a cruise holiday. More singles, families, couples, honeymooners, second honeymooners and groups of friends are sailing away on the voyage of their lives. So why not try a cruise, where getting there is only half the fun! A cruise is a flexible option that will fit in as a holiday stop over, or the main feature of your holiday. There is a cruise to suit all! The vast Pacific beckons, shimmering with dreamy South Pacific isles, the Great Barrier Reef, New Zealand's fascinating Maori Culture and so much more! Here are just some of the highlights you may encounter on your Pacific Cruise.

AUSTRALIA

Melbourne

The capital of Victoria and Australia's second largest city. A cultural melting pot of Greek, Chinese, Italian, Vietnamese and Lebanese.

Perth (Fremantle)

Famous for its markets and eateries, you can explore the capital city of Western Australia and one of the World's Most Livable Cities, Perth. 19 beaches and over 3,000 hours of sun each year are a few of the reasons cosmopolitan Perth is so popular.

Sydney

Among the world's most exciting cities with dazzling beaches and the Sydney Opera House, an architectural marvel and arguably the most recognisable performing arts venue in the world.

Willis Island

Relax and enjoy a mid-ocean interlude as you anchor at Willis Island in the Coral Sea. Willis Island is home to an array of protected seabirds and wildlife (scenic cruising only).

NEW ZEALAND

Akaroa

Akaroa is a historic French and British settlement nestled in the heart of an ancient volcano. Explore the village and enjoy colonial architecture, art galleries, shopping and cafés.

Auckland

The "City of Sails," known for its sparkling waters, bustling harbour and cosmopolitan flair, and an ideal spot for water sports and sailing.

Milford Sound

One of three amazing sounds featured on most itineraries. Situated within Fiordland National Park, part of the Te Wahipounamu World Heritage Site and surrounded by sheer rocks and lush forests.

Tauranga

Located at the entrance to one of the largest natural harbours in New Zealand and nestled beside magnificent Mount Maunganui.

SOUTH PACIFIC

Bora Bora

Snorkel the crystalline waters of the Blue Lagoon, or explore the untouched mountainous interior in a 4 wheel drive.

Isle of Pines

Also known as the 'Jewel of the Pacific'. With its white talcum-like sands and crystal blue waters, you'll see why the Isle of Pines earned this title. It really is a unique little gem.

Lifou

Lifou has one of the most diverse landscapes in the South Pacific, from limestone caves to white beaches and coral reefs teeming with brightly coloured marine life. Its the largest coral atoll in the Loyalty archipelago.

Moorea

Moorea is an island of vertiginous mountains – most of its 14,000 people live along the narrow coastal shelf. Behind tin-roofed wooden houses lie lush green mountains rushing up to fill the sky.

Mystery Island

The whole island is yours for the day. That's right, it's uninhabited and the only people who visit are cruise passengers. So it's all yours. And it's the perfect size to explore the whole thing.

Noumea

It won't take long to find your French side in this city. See for yourself, mon ami. It's got that Parisienne style, sophistication and joie de vivre, with a little sun, sand and smiles thrown in too.

Vila

Vila harbour is active with fishing boats, yachts and speedboats passing between the various nearby islands. Port Vila offers you the opportunity to visit many of the local market stalls set up for each ships call into this port.

The initial layers of a city, including its people, buildings, and shops - can be seen by anyone, with each person having a similar view. Inspiration is found when one goes deeper - beyond the surface of a city. Explore the world within the world, while discovering more about yourself. With overnight stays and docking at smaller, less-travelled ports, Azamara Club Cruises® invites you to step ashore as an insider and Explore Further.

Please refer however to Clause 7.6 for special conditions in some cases.

- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.

- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.

- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

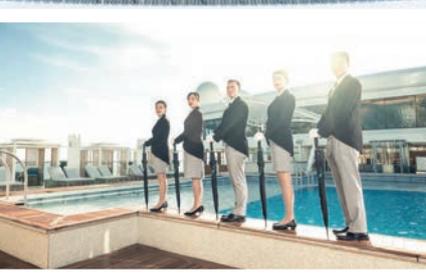

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.

PLEASE READ THESE CONDITIONS CAREFULLY

The guarantees under the Consumer Guarantees Act will apply to services supplied by us except where they are acquired, or are held out as being acquired for business purposes.
